EDUCATION

Poornima College Of Engineering
Bachelor of Technology in Computer Science, Current aggregate CGPA - 9.47

08/2019 - 05/2023   *Jaipur, Rajasthan,India*

All Saints Sr. Secondary School
12th - 77.6%

04/2017 - 04/2018   *Ajmer, India*

All Saints Sr. Secondary School
10th - 10 CGPA

04/2015 - 04/2016   *Ajmer, India*

PROJECTS

-> PM WANI
- This is the Govt. Project in which they provide APs(access ponits) so that any one can access to the internet.
- DataBase is in SQL , Backend - Node js ,Frontend - Flutter
- I have created the Frontend and link it to the REST Apis (Backend).
- Link ☐

NOTES APP
- CREATE, DELETE, UPDATE the notes that you want.
- Database used is MongoDB
- For Front-end i used FLUTTER

Expense App
- App gives the track of the expense that we do.
- In its UI there are 7 Bars that shows the expense that we have done in the last 7 days.
- The app is Also Responsive and Adaptive.

WORK EXPERIENCE

Software Developer Intern
LOKAL ENTERPRENEURS EMPOWERMENT PRIVATE LIMITED

06/2022 - Present   *Flutter*
Achievements/Tasks
- Made Customizable Components in Flutter.
- Responsible for connecting Flutter application with Backend.
- Worked on PM WANI Project where i have build the Complete UI for the App and made it responsive and adaptive so that it can work for both android as well as ios.

SKILLS

Java   Dart   Flutter   Git

Data Structures & Algorithms   JavaScript

VS Code   Eclipse   GitHub   OOPs

ACHIEVEMENTS

✳ Codechef 4 star(Max)competitive programmer.

✳ Solved 100+ Problems on Leetcode.

✳ Certified programmer by HackerRank in Java and Data structures/Algorithms (Basics).

✳ Certificate in Google Hash Code 2022, Code Jam 2022, Kick Start 2022

CERTIFICATES

Certified programmer by HackerRank in Java and Data structures/Algorithms (Basics).

Certificate in Google Hash Code 2022, Code Jam 2022, Kick Start 2022

LANGUAGES

Java
Full Professional Proficiency

Dart
Professional Working Proficiency

INTERESTS

Problem Solving   Video Games
